Kindergarten News Term: 3 Week: 4

Open Day: It was great to see all the parents and visitors last Thursday during Education Week. The children enjoyed performing their dance, singing and showing you their work.

Spelling City
This is an online Spelling program that we would like you to use to help your child learn the spelling words that we send home each week on the newsletter. It is a great website and each week we will provide you with the relevant list name to enable you to find the spelling words for the week.

Spelling city (www.spellingcity.com, click login and then where it says student login insert the username and password located on your child’s computer card). Next you select the list Kindergarten Term 3 Week 4 and you will see this week’s words. Your child can practise them by playing a variety of games. If you have any trouble accessing the words please see your child’s teacher.
