Spelling: Words beginning and ending in 'th'

Homework: Homework is due on Friday. Please make sure that your child completes their homework and brings it to school on Friday.

Write your spelling words each night on the sheet provided. Further spelling activities can be found on the Spelling City website.

The children’s usernames & passwords for Spelling City remain the same as last year - ie user name is their first name.last name. Password - y1. We will let the children know when the details for this year have been updated.

Class News: News this week is free choice.

Library: Our library day is Thursday so please make sure your child has their library bag with them.

Home reading: We are currently assessing your child’s reading and will be commencing our Home Reading program later in the week. Please check your child’s bag for their reading folder and listen to them read each night. Home readers are to be changed each day unless your child is reading a novel, which may require a longer borrowing time.

Parent information evening: Our Information Evening will be held next Tuesday 17th February at 6.45pm in your child’s classroom. Please try and arrange to be at this meeting as it is desirable that a parent attends for each child. Please note that this evening is intended for parents/ caregivers only. Sessions will be 30 minutes duration and will be a general information session.

Crunch and Sip: The children are to bring one of the following items to have during class time.
A piece of fresh fruit, a small amount of dried fruit (no nuts) or 1 serve of fresh vegetables and a water bottle.

Swimming Carnival: Children turning 8 and over, who can confidently swim 50 metres, would have received a note about the swimming carnival last week. Please return this ASAP. We also require parent volunteers to assist in running this event. If you can help out please indicate on the return slip.

Afternoon pick up arrangements: To help alleviate the congestion on the bottom playground, 2L children will now be picked up from outside their classroom. 2W & 2F children line up on the soft fall grass area behind the toilet block.

Five Finger Rule: Last week your children would have brought home their copy of our school’s Five Finger Rule. This is a strategy that we teach children to help them deal with minor playground or classroom issues. We request you display this in your home & discuss this with your children and ask them if they have used this when they may have encountered an issue in the classroom or playground.

Enjoy your week.
